From Piazza Duomo you will reach a wide terrace on the waterfront surrounding the famous Arethusa's Fountain, one of the most famous fresh-water sources of the Greek world. Free time for lunch. Departure to **Noto**, the capital of Sicilian Baroque, famous for its fine buildings of the early eighteenth century and declared Unesco World Heritage Site. Inspired by Baroque ideals of "open city", Noto is a rare masterpiece and the clearest example of theatrical tastes in 18th century architecture whose local limestone has been burnt gold by the sun. Noto's Baroque is a game of elegant curves, floral weaves, perspective views, palaces and gardens, capitals and ornaments that adorn the facades of churches and monasteries. Visit of Palazzo Nicolaci Villadorata, beautiful noble residence in Baroque style. Free time for a walk along the town. Transfer to Ragusa for dinner and overnight in hotel.

Day 3 - Monday: RAGUSA IBLA – MODICA – PIAZZA ARMERINA (Hotel in Agrigento)

Used as a location of the extremely popular Police Inspector Montalbano Tv series, it is today stated among the 44 Italian World Heritage Sites. This little precious ancient town hosts more than 50 churches and many Baroque architectural treasures! You will be fascinated by its Cathedral, situated in the beautiful Dome square and you will love the “Giardino Ibleo”, the oldest of the four main gardens in Ragusa... At 383 meters above sea level, from this beautiful garden you can admire a spectacular panorama! The tour proceeds towards **Modica** chest of innumerable Baroque architectural treasures and for this reason stated Unesco World Heritage Site. Walking along the tiny streets of this charming town, you will have a stop to visit *Sabadi*, one of the most renowned chocolate manufacturers whose chocolate has been awarded as the best Modica chocolate in the last 9 years! You will enjoy a multisensorial chocolate tasting discovering the authentic Sicilian perfumes... the local *nepitella* (wild mint), the orange blossom honey, the raw PGI - quality Sicilian lemon and the PGI – quality Sicilian red orange are just some of the many flavours you can taste! Then you will enjoy some local delicacies under the shadow of the amazing Orti di San Giorgio: 7 gardens suspended between light and beauty. A breath-taking panorama will be the setting of your relaxing lunch! The day goes on to the charming **Piazza Armerina** to visit the famous Villa Romana del Casale, Unesco World Heritage Site, to admire the splendid polychrome mosaics! This majestic villa, belonged to a member of the Roman Senatorial aristocracy, hosts prestigious mosaics representing mythological and historical episodes and scenes of hunting and entertainments: you will love it! Departure to Agrigento. Dinner and overnight in hotel.

Day 4 - Tuesday: AGRIGENTO - MARSALA- SALT ROAD - (hotel in Palermo)

This morning the tour continues in **Agrigento** visiting the famous Valley of the Temples stated World Heritage Site. It was defined by Pyndar “the most beautiful city of mortals”. As one of the most prosperous of the ancient Greek cities on the island, Agrigento presents a remarkable series of Doric Temples of the 5th century. Among hundreds of almond trees you will admire the rests of the ancient Akragas. You will see the “Temple of Hera”, the “Temple of Concordia” and the “Temple of Heracles”.

Proceeding on, visit of the charming and well-known town of **Marsala**, where Garibaldi went ashore in May 1860. After a walk along the city centre, guided tour of the **Florio Cellars**. The visit starts in front of the majestic giant vats, built at the end of the 19th century and still used for the refinement of Marsala wine. It continues inside the 3 fascinating barrel chambers, 165 meters long and running beneath 104 arches, under which 1.400 small barrels and about 600 larger barrels and vats of different capacities are arrayed, as c. 5.500.000 liters of Marsala wines age in silence and stillness. After a thirty minute tour through the barrel vaults, where the ancient tuff stone floor has been restored, you will reach the avant-garde tasting rooms named Donna Franca and Duca Enrico. You will enjoy a delicious light lunch and a memorable wine tasting experience!

The tour will continue visiting the popular **Salt Road**: here the salt marshes have given rise to one of the oldest salt-extracting industries in the world! Between Trapani and Marsala, the Salt Road is now protected for its interesting birdlife, and also as an important site of industrial archaeology. Visit of the wonderful eclectic Cathedral, the astonishing **Martorana Church** and the amazing **Cappella Palatina**, admirable example from an historical and an artistic point of view, and a prove of how different cultures, religions and way of thinking apparently incompatible can coexist.
